

# Watch HPO Concerts on your TV Using Chromecast or Chromecast Ultra

Watch HPO concerts on your TV using a Chromecast device and a smartphone, tablet or computer! **The most up-to-date version of the Google Chrome web browser is required.**

Download Google Chrome here:  
[www.google.com/intl/en\\_ca/chrome](http://www.google.com/intl/en_ca/chrome)

- 1 Make sure your Chromecast and smartphone or tablet are connected to the same wi-fi network. Open the "settings" app on your phone or tablet and click the "network/internet" option to see which wi-fi network you are using. Then open the Google Home app and click "wi-fi" to see which network your Chromecast is connected to. Make sure they match!
- 2 On your smartphone, tablet or computer: visit [www.broadcast.hpo.ca](http://www.broadcast.hpo.ca) and log in.

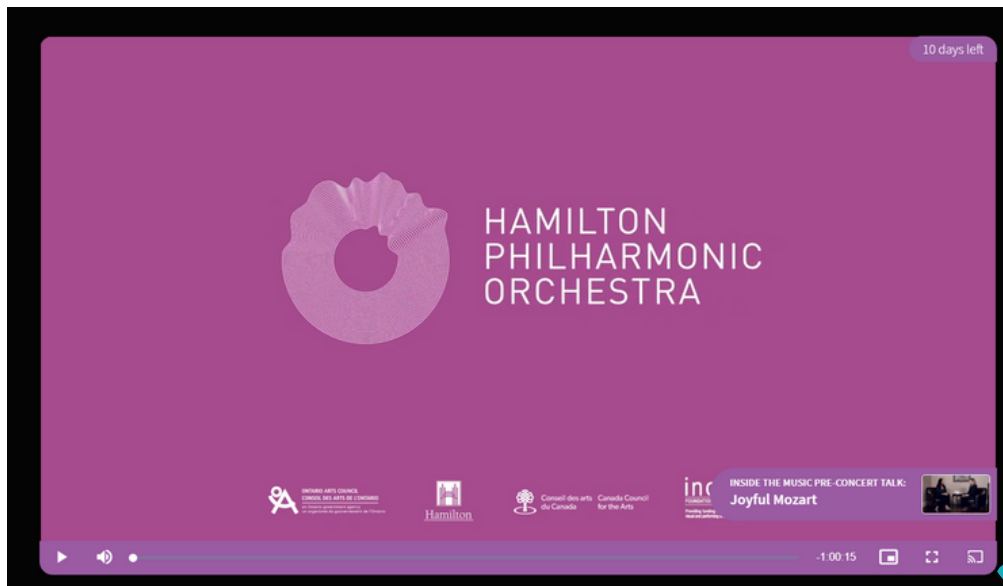

- 3 Click "My Concerts" at the top right of the screen

4

On or within 30 days after the scheduled premiere date/time, click the concert page to view the broadcast video player below.

5

Click the "cast" symbol on the bottom right corner of the video player and select the Chromecast device you want to cast to from the pop up window.

**Remember this requires the Google Chrome web browser.**
